21 miles a day if he plows four acres
and makes two trips to the row. He
rides only 11 1-8 miles to plow four
acres with an

which does the trick at one trip.
He has to turn around at the end of
560 times when he walks and plows
when he rides he only turns 280
times.
Allowing 1/2 of a minute for each
turn he saves when riding we have
two and one-third hours' time each
day he plows instead of turns.

Let us show you an

economical.

**Are You in
DANGER!**

If you are in the habit of keeping
money or valuables on your person or
about your house, you are certainly in
danger.

You are in danger not only of being
robbed, but of having some worse fate
befall you. There are, sad to say, those
who would not hesitate to commit
murder, if necessary, to expedite a
robbery that they have planned.

You will be safer and your money
certainly will, if it is deposited in bank.
We not only offer you 100% safety,
but will add 4 per cent interest to your
balance each year.

As to your valuables, you can rent
a safe deposit box in our vault in
which they, too, will be really safe.

Colds & Headache
"For years we have used Black-Draught in our family,
and I have never found any medicine that could take its
place," writes Mr. H. A. Stacy, of Bradyville, Tenn. Mr. Stacy,
who is a Rutherford County farmer, recommends Black-
Draught as a medicine that should be kept in every house-
hold for use in the prompt treatment of many little ills to pre-
vent them from developing into serious troubles.

**THEDFORD'S
BLACK-DRAUGHT**

"It touches the liver and does the work," Mr. Stacy
declared. "It is one of the best medicines I ever saw for a
cold and headache. I don't know what we would do in our
family if it wasn't for Black-Draught. It has saved us many
dollars. . . I don't see how any family can hardly go with-
out it. I know it is a reliable and splendid medicine to keep
in the house. I recommend Black-Draught highly and am
never without it." At all druggists.
